

**maxell.**

Guide Wire Radio is brought to you by Maxell XLII audiotape, America's best selling high-bias audiocassette.

*Take your music to the max with Maxell!*

**Congratulations!**

The song "(WHY DON'T WE) START OVER" by THE HIDEOUTS has been chosen to appear on Guide Wire Radio # 1101! Enclosed is a complimentary cassette of the show on which your release is featured, as well as a copy of the current Guide Wire Radio station list. If you have any questions or comments about the program or if you'd just like to thank us (we'll take empty gratitude as much as the next guys), feel free to write to the address below, or you may phone or fax us at the provided numbers.

**The DSP, Ltd. Staff -**

Alan Matthews - producer  
Darwin Stearns - executive producer  
Keith Tuxhorn - host  
Seth Allen Raila - business manager
