a review!"

**THE HIDEOUTS** *Soukup's Gone*

The Hideouts, a quartet from Chicago, take a varied approach on their four-song demo; offering two pop songs, a ballad, and a hard-edged rocker. The jacket photo shows the band in a Hollies' style pose, and there's plenty of jangling guitars and harmonies to be found on the tape. "I'd Rather Be With You" would do Shoes proud, and the last cut "Won't Happen Again" is a scorcher. (Contact: Rocket '88 Productions, 1104 Oakwood Drive, Westmont, IL 60559.)
